

100 Years Fraenkelufer Synagogue

Celebrate with us!

**Donation campaign
"100 years, 100 euros"**

The Fraenkelufer Synagogue was inaugurated a century ago this year. It's been the focal point of Jewish life in Berlin Kreuzberg ever since. That's why in September 2016 we want to mark the historic occasion.

Your donation helps us do it right: We are currently planning an official ceremony for September, as well as an exhibition of personal stories that capture "100 years of Fraenkelufer Synagogue." A major component of this are the tremendous images taken in 1945 by famed Magnum founder, Robert Capa.
